DENTAL NETWORKS

Covered in-network dental providers are accessible both in and outside Alabama. Blue Cross and Blue Shield of Alabama's **Preferred Dental Network** is a statewide dental network. Currently more than 2,800 dentists in Alabama have joined this network.

The **Access Plus Dental Network** is one of the largest dental networks and it offers access to dental providers outside Alabama. There are nearly 450,000 participating dentists nationwide. These networks are designed to promote quality and cost effective dental care.

To find a dentist in our network, visit **AlabamaBlue.com/FindADoctor**. Then select "Dentist" under the "Search Term" and enter your zip code or city/state. To view only Alabama Preferred Dental providers or Access Plus Dental providers, choose "Alabama Preferred Dentists" or "Access Plus Dental" under "Network or Plan".

Dental Network Provisions:

- Network dentists will file all claims and accept the Blue Cross payment as payment in full (after any deductible and coinsurance you owe).
- Payments for covered services will be based on the lesser of the allowed amount or the dentist's actual charge.
- Covered dental services, level of coverage, deductible and benefit maximum amounts will be the same for in-network and out-of-network dentists (unless otherwise specified). However, if you do not use an in-network dentist, Blue Cross will pay you the "allowed amount" for covered services. You may be responsible for the difference between the Blue Cross payment and the dentist's charge (plus deductible and coinsurance, if applicable). You may also have to file the claim if the dentist's office will not.

Filing Dental Claims:

To file your own dental claim, you should complete the top portion of the claim form found by visiting AlabamaBlue.com and selecting Dental Claim Form under Resources. An itemized statement from your dentist will need to be included.
