

United States Preventive Services Task Force (USPSTF) Recommendations*Introduced 3.23.10*

In accordance with requirements put forth through the Affordable Care Act (ACA), applicable employers elect to provide evidence-based Preventive Drug coverage at \$0. Below is the list of medications available for applicable plans with the ACA Standard Preventive Drug List. Check your Blue Cross benefit booklet to find out if the ACA Standard Preventive Drug List applies to your plan.

The drugs listed below are grouped into broad categories. Each category includes an alphabetical list of drugs. Generic drugs are available for many of the brands noted on this list. Please verify with your plan if a generic drug must be tried before the brand version of a drug is filled.

This list will be reviewed periodically and is subject to change.
